

Alcohol and Families

Alcohol Awareness Week
13-19 November 2017

LIKE MY LIMIT...LOVE MY FAMILY

This year Alcohol Awareness Week is about how alcohol can affect families.

Forward Leeds will be available at sites across Leeds to talk to people about the impact of alcohol on children.

- Learn how even moderate drinking can affect people's abilities to look after their children
- Hear stories of how people have changed their drinking behaviour and seen improvements to family life
- Find out about the hidden harms of parental alcohol use on children and relationships
