

TAKE HOME NALOXONE SAVES LIVES

- Get the kit
- Save a life
- Make a difference

Forward Leeds can issue take-home naloxone kits.
Speak to a member of staff today.

We regularly get used kits returned for us to replace. This means we are regularly saving lives with naloxone kits.

Forward Leeds offers a range of free, confidential and non judgemental services for individuals and their families whose lives are affected by drugs and/or alcohol.

Advice, treatment and recovery support for everyone
