

There are a range of short training sessions available including courses on:

- Alcohol
- Illegal drugs
- Cannabis
- Alcohol and older people
- Alcohol and domestic abuse
- Basic awareness of substance use and mental health

The courses include advice on offering brief interventions around alcohol and other drugs to people using your service.

TRAINING AROUND ALCOHOL AND OTHER DRUGS

Forward Leeds has a team providing free training and advice around alcohol and drugs.

This training is workforce development and is primarily aimed at:

**SOCIAL CARE STAFF
AND SIMILAR
ORGANISATIONS**

**LEEDS CITY
COUNCIL TEAMS**

**CHARITIES AND THIRD
SECTOR ORGANISATIONS
IN LEEDS**

Training will provide attendees with:

- The basic knowledge of alcohol and drugs to assess risks and underpin interventions
- The confidence to have difficult conversations with people about alcohol and drugs
- Additional skills to support people accessing your service using the resources and techniques you will be taught

Training is delivered either online or in person, depending on your preference and is usually for half a day.

In addition to the scheduled courses, the team can deliver free bespoke training courses around alcohol and drugs for organisations in Leeds who have specific requirements.

For more information about scheduled courses including times and dates visit ForwardLeeds.co.uk/training.

If you would like to discuss our training further, please email prevention@forwardleeds.co.uk or call 0113 887 2477 and ask to speak to the training team about our range of courses.
